Councilmember Frye Salutes Kyocera's "Solar Grove"

On June 24, Councilmember Frye joined other elected officials and members of the business community to celebrate the unveiling of Kyocera's Solar Grove.

Kyocera International Inc. has converted its employee parking area into a 235-kilowatt solar electric generating system, using 25 solar "trees" to produce energy for its entire headquarters.

The solar trees are actually made of 1,400 Kyocera KC-187G solar photovoltaic (PV) modules and 200 custom-manufactured, light-filtering PV modules. The system's capacity of 235 kilowatts is capable of generating 421,000-kilowatt hours per year. During peak hours,

Kyocera's "Solar Grove" not only provides significant power to the Kearny Mesa company but also shaded parking for employees.

Clothes 4 A Cause Helps Less Fortunate Dress for Success

If you have business clothing that you're thinking about tossing or giving away, Time Warner Cable is offering you an opportunity to help some worthy people with its "Clothes 4 A Cause" business-suit clothing drive throughout the month of August.

The business outfits donated will be given to men and women enrolled in job-training programs through two organizations: Alpha Project, which is striving to end homelessness; and Becky's House, the YWCA's transitional housing project for survivors of domestic violence.

All donors will receive a tax-deductible receipt for each complete outfit they bring in.

Warner Cable offices at 8949 Ware Court in the Miramar area or 1110 Orange Avenue in Coronado.

In addition to a tax deduction, donors will receive a chance to win a \$1,000 shopping spree at Fashion Valley, courtesy of Lifetime Real Women, as well as other prizes.

Councilmember Frye urges everyone to help out those who are striving to make a better life for themselves. Cleaning out your closet doesn't have to be a chore — you can actually help others at the same time, and Councilmember Frye appreciates all participants in this worthy cause.

Business outfits may be dropped off through August 31 at any of the county's Jenny Craig Weight Loss Centres or at the Time

Thank you, Sister Marina!

Sister Hernandez with proclamation presented by Councilmember Frye.

Notice a new face at Bayside Community Center?

After two years of dedicated service to the Housing Counselor Program at Bayside, Sister Marina Hernandez has stepped down from her position. She was honored July 25 with a proclamation from Councilmember Frye, designating that day as "Marina Hernandez

r.s.c.j. Day" in the City of San Diego. For years,

Sister Marina has devoted herself to giving voice — and many valuable lessons — to the tenants of Linda Vista.

Fortunately, Bayside has found a new Housing Counselor in Estela Rubalcaba-Klink, who offers years of experience in tenant/housing issues in the City of San Diego. Councilmember Frye and her staff look forward to working with her and her team at Bayside in helping Linda Vista renters better understand their rights and responsibilities.

For more information, please contact Estela at the Bayside Community Center at (858) 278-0771.

the company will use all energy generated, but on the weekends when the headquarters is not consuming as much, the electricity will be sold back to San Diego Gas & Electric. The grove is expected to pay for itself within 12 years.

As a strong advocate for the advancement of renewable energy, Councilmember Frye hopes that Kyocera's undertaking of the advancement of solar energy will promote the use of renewable energy throughout the business community in new and existing facilities.
